## SG Group

Founded in 2007, SG Group started its journey under the leadership of Mr. Rajiv Goyal - a young visionary and a successful entrepreneur who founded Speedage Express Cargo Services. It has a total of 15 years of experience in transportation, express cargo industry, container freight station business under the brand name Calyx Container Terminals Private Limited that highlights the foundation of SG Group's accomplishments in the supply chain solution industry.

SGX Minerals Private Limited - another flagship has been involved in mining various minerals from the mines located in Andhra Pradesh. With the company's great presence, it soon gained recognition and trust as a responsible producer and supplier in various verticals of the industry such as mining multiple products like Manganese, Aggregates, Feldspar, Coal etc. Today, SGX Minerals is a modern Indian company with a larger global vision, directed by experts who understand relevant industry practises.

With years of commitment and trust that runs deep, the SG Group is proud to have begun its first venture into the real estate industry with "Gated Community Project," located in the heart of nature in Donkinavalasa, 108 km from Visakhapatnam (Andhra Pradesh) and 48 km from Vizianagaram (Andhra Pradesh).

### BUSINESS FOCUS
